"Insurance excess" is the maximum amount you could be liable in case of damage. Everything above the excess is insured.

"Additional insurance" is the price you pay to get the reduced excess, but excludes the price of the mandatory instructional laps.

"Reduced excess" is the excess of the car after you paid the additional insurance and is only available in combination with in-car instructions.

"Barrier and recovery insurance" is the price you pay to be covered for barrier damage and recovery costs.
